<b>Documentation:</b>	The Learner <b>is required</b> to bring to the course the Current NHSS8 and HERS Manuals (either paper or electronic for – Tablet or laptop or similar device)

## Highway Electrical Registration Scheme

### Qualified Supervisors Conversion Course

This course is designed to provide refresher training to currently registered, active within the role and approved Authorising Officers.

Course Learners are **strongly** recommended to refresh their understanding of the Authorising Officers role and the requirements of the Highway Electrical Registration Scheme.

If you have not been actively carrying out the Qualified Supervisors duties for the past 12 months, you are **strongly** recommended to attend the 2-day course to ensure the most successful level of learning.

Each Learner **must bring** to the course, the current issue of the NHSS8 document, HERS Handbook and all User Guides, ie in paper or electronic format for laptop/tablet viewing. These documents are essential for full understanding and participation during the course Failure to bring these documents will result in the Learner not starting the course, and where applicable will be subsequently charged.

The Learner must be computer literate, and can proficiently use a keyboard and mouse, basic skills for Microsoft Office will be required.

The HEA Training cannot guarantee appropriate internet access at the course location.

The course timetable is as follows (all timings are approximate as this is dependent on the attendees):

<b>Time</b> (All timings approximate and may vary)	<b>Timetable</b>
